Hello AE! I can't see the email, but I'm guessing it's the one I sent to stakeholders regarding the proposed delisting of VB/I-70 OU1 from the National Priorities List (list of Superfund Sites). I'm so sorry that you did not receive it from me. I thought you were on the list, but I probably assumed you were at the Globeville Cares email address. Is this the email address I should use for you? Anyway, I will call you this afternoon after my morning meetings and we can chat.

Thanks,  
-jc

Hi Jennifer,

The email below has been forwarded to me, and I may have a response related idea that can be helpful. But, as you know, I've been out of the loop on the CAG, so I need to get updates on a couple things first.

Can you call me? Tomorrow is fine if you don't have time today. I'm headed into a 3:30 pm meeting today as it is.

Speak with you soon.

Thanks,

AE
